

Butterfly Social - Sept. 19th 2020

We are happy to announce that we are able to hold a corona virus friendly version of our Butterfly Garden Social on Saturday, September 19th, 11:00-2:00. We will not be able to have a catered meal this year, but families are welcome to bring a picnic, blanket, and chairs. We respectfully ask that everyone observe social distancing, bring masks and if you bring a picnic, that you set up away from the garden.

Each family will be assigned a 20 minute time during their hour to release their butterflies. Please check in order of preference your time frame. We ask you to rank all 3 choices, as we have to limit the amount of people in each time slot and they will be assigned on a first come first serve basis. You will be able to spend time at the garden and the brick walkway at that time. We have never tried this before and ask for your patience as we try to make this event work for everyone.

In order to ensure that we have enough butterflies, please RSVP by August 23rd, 2020. Payment can be made for extra butterflies by going to our website www.tcfmanchester.org. Under events click Garden Social 2020 and you will be taken to Paypal. Or if you prefer to mail it make checks payable to TCF Manchester and mail to Anne Silanskas 14 Eldorado Circle Nashua, NH 03062.

Finally we are asking members to do a Virtual or Real Walk Fundraiser for our Chapter. This walk can occur anytime but we are suggesting the dates of Sept 12-19th. The National Office handles the site to do this fundraiser, we receive all monies meant for our chapter and we are currently waiting for them to launch the site. When it is available we will share that info.

Name:

Email:

How many people will be in your family group?

Please rank your time slot preferences. Circle and write 1st, 2nd, 3rd

11am-noon

noon-1pm

1pm-2pm

Would you like to order additional butterflies (there will be one free butterfly per loss per family) at \$10 each? Yes / No

If you answered yes to additional butterflies, how many additional butterflies would you like at \$10 each?
